PROFESSIONAL EXPERIENCE

Accenture Solutions Pvt. Ltd. | Associate Manager — Advanced Frontend Developer | Mar 2026 – Present

- **Lead frontend development** on enterprise applications using **React.js, HTML5, CSS3, and Material UI**, delivering pixel-perfect, responsive interfaces aligned with business requirements.
- Executed **Application Security Assessment (ASA)** and security remediations including **CSP hardening and MFA integration** across enterprise application modules.
- Architected and maintained **reusable React.js component libraries**, enforcing code quality through reviews, Git/Bitbucket workflows, and technical documentation.
- Delivered **unit testing with Jest** and **end-to-end validation with Playwright**, reducing post-deployment defects and strengthening application reliability.
- Leveraged **GenAI-assisted development (Claude AI)** to accelerate code generation, technical analysis, and documentation — boosting team delivery velocity across SDLC activities.

Capgemini India Pvt. Ltd. | Senior Consultant → Consultant — Senior UI/Frontend Developer | Jul 2021 – Mar 2026 (~4.7 Yrs)

- Designed and developed **React.js-based SPAs and component libraries** for enterprise clients, reducing UI duplication and accelerating feature delivery across multi-module projects.
- Led **frontend modernization** initiatives — refactoring legacy jQuery/HTML codebases into React.js architectures; maintained cross-browser compatibility (Chrome, Firefox, Safari, Edge).
- Collaborated with UX designers using **Adobe XD** to convert wireframes into production-ready UIs; integrated front-end modules with **REST APIs and JSON** data contracts.
- Completed **Architect Level 0 & Level 1 Certification** (6-month program) and **Connected Manager Program** at Capgemini; applied architectural thinking to frontend component design.
- Delivered interactive **D3.js data visualizations**; provided technical recommendations and requirement analysis in Agile/Scrum ceremonies.

Accenture Solutions Pvt. Ltd. | Analyst → Associate Developer → Trainee — UI Developer | Jul 2016 – Jun 2021 (~5 Yrs)

- Built responsive, cross-browser web UIs across **e-commerce, banking, and enterprise** domains using HTML5, CSS3, JavaScript, Bootstrap, SASS/LESS, and jQuery.
- Developed and maintained pixel-perfect UI modules; integrated with backend teams on REST APIs; contributed to requirement analysis, effort estimation, and technical documentation.
